Financial *focus*

ADDRESSING THE NEEDS OF INDIVIDUALS AND PLANTING THE SEEDS FOR A SECURE & ETERNAL FUTURE.

Helping you achieve your financial goals

John Wesley, the founder of Methodism stated: "Make all you can, save all you can, give all you can". Biblical stewardship commences from a repentant heart to the adoption of a lifestyle of caring, loving and giving.

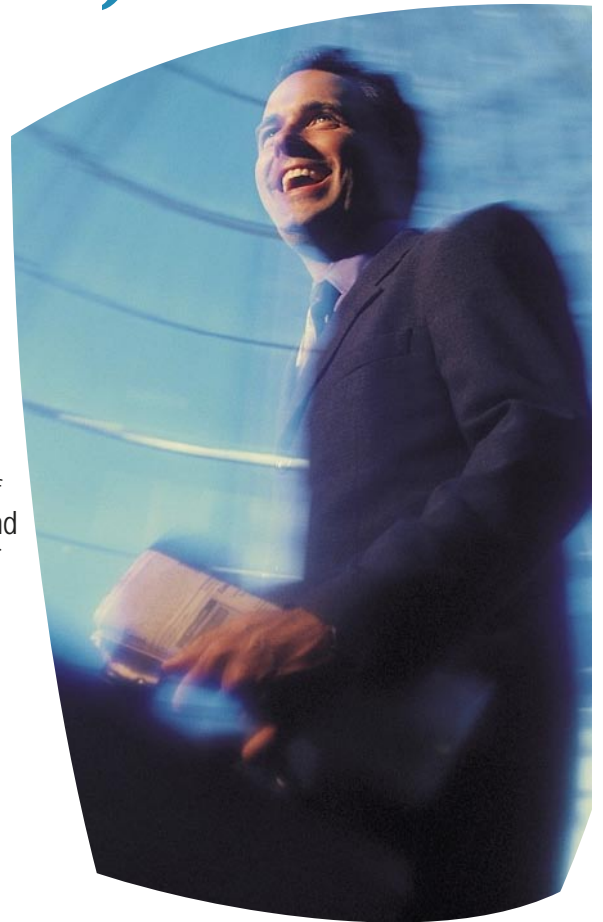

Managing what we have reflects who we are, what we stand for and where we are headed.

As Christians, we strive to live like Christ. Thus, the timeless Biblical

principles of stewardship and the management of our finances are essential for godly living.

If you are seeking to take charge of your life, set your house in order and discover God's blessings like never before then this series of studies is for you. I invite you to journey with me through God's word where you will learn to apply Biblical and practical truths to every day living.

Come discover God's will for you!

"... where your treasure is there will your heart be also."

Matthew 6:21

Progress, Strength & Renewal for 2009! With all that is going on and the economy failing I want you to know that God never fails. Come, be faithful to God's house, be encouraged & uplifted in His word and with the saints of God.

A Peak into the Community

THE POWER OF FELLOWSHIP

Thank God for the power of fellowship! After the New Year's Eve service, I was blessed to have more than 40 people at my home. We shared God's blessings from the past year and things we would commit to give to God in 2009. Burdens were lifted and bonds formed. I encourage each of you to attend any and all fellowships at Spirit & Truth Church as it is through these fellowships that God can mend your life, help you form lasting relationships and learn from others in the community. God bless!

HALLELUJAH!!!!!!!

We were in desperate need of a car and finally were able to make our way to a dealership where we found one we liked. We worked out the details and were later asked if we would want to participate in a drawing, not thinking anything of it we participated. We have now received a letter in the mail telling us that we won the drawing that the car was completely paid for & that the money that we had put down would also be returned to us. Hallelujah!!!! God is good!!!!. You see some time back we received a note from Pastor asking us to commit to giving. Kevin and I obeyed and this blessing is a result of our commitment in giving to God. Hallelujah!! God is good!!...
