REVIVAL RECAP

Revival is here at Spirit & Truth! During the last three weeks we have experienced some very dynamic services and we look forward to experiencing many more weeks of the same.

Bro. Brian Norman

“Altar Ministry”

July 30, 2009

“God will pour into you what you allow to flow through you. You can’t be a bucket; you have to be a faucet!”

Bro. Norman kicked off the first night of revival with excellent scripture teaching regarding Altar Ministry. He touched on the following topics: five things that are essential to altar ministry, three keys to receiving the Holy Ghost and what we must do as altar workers.

Bro. Brian Norman

“A Question that Matters”

August 2, 2009(AM)

“Have ye received the Holy Ghost since ye believed?”

During this dynamic message, Bro. Norman expounded on the importance of understanding what it truly means to be “saved”. Several key scriptures were explored that reinforced the importance of knowing that you have received the Holy Ghost as evidenced by speaking in tongues.

Bro. Brian Norman

“Positioning Yourself”

August 2, 2009(PM)

“Are you in position to receive what God has for you?”

Bro. Norman focused on the story of the man lying at the pool of Bethesda. He explained how this man’s experience with Jesus is an outline for the importance of our positioning ourselves to be ready when God calls us.

Bro. Michael Easter

“A Crazy Question, A Lame Excuse, An Impossible Instruction”

August 6, 2009

“Jesus is always attracted to people with needs.”

Bro. Easter picked up where Bro. Norman left off and further expounded on the story of the man at the pool of Bethesda. The issue with the man at the pool of Bethesda was not whether Jesus knew what he needed, but if the man knew what he wanted....some people don’t want to be delivered, but God does not accept excuses!

Bro. Michael Easter

“But if Not...”

August 7, 2009

“We know that God is able and we know that He is willing, but if not....?”

In this awesome message, Bro. Easter focused on the story of Shadrach, Meshach, and Abednego and their willingness to stand firm in their faithfulness to God in the face of death. No matter what we go through in life, it’s going to be worth it all when we are able to spend eternity with Jesus. But the question we must ask ourselves is - are we willing to do whatever it takes to make it to heaven. What are we going to do when God doesn’t do what we want him to do?

Bro. Michael Easter

“Saving the Oil”

August 8, 2009

“We need to hold onto the oil, it’s the most precious thing in our lives.”

Bro. Easter took his text from 2 Kings 4 and spoke on the widow and her oil. Our oil is the Spirit of God (Holy Ghost) and like the widow, we must not trade it for anything, even if it means that we will lose all of our worldly possessions.

Bro. Michael Easter

"There's No Place Like Hell"

August 9, 2009(AM)

"God doesn't recognize denominations, He only recognizes the blood of Jesus."

God measures our belief in Him by our actions. When we disobey God, we are saying that we don't believe Him and that we don't believe that there is an eternity of heaven or hell that we have to face. This was a fantastic message about the reality of hell. If you have any doubt that hell is real, you have got to hear Bro. Easter walk you through the scriptures concerning heaven and hell and why it is essential that your salvation is sure!

Bro. Michael Easter

"The Devil Believes in One God, So What's Your Problem?"

August 9, 2009(PM)

"If you want to know God, you must know the Father. If you want to see God, you must see Jesus. If you want to feel God, you must feel the Spirit (Holy Ghost)."
